The Journey Home

O sentimento de crença e de vontade de comunicação com os seres angelicais permeiam a história da humanidade desde os registros das primeiras civilizações. Nas várias culturas e expressões religiosas, encontramos essa representação, a exemplo dos hindus (para estes são conhecidos como Devas) e dos muçulmanos (os anjos são os Djins). Vários relatos nas escrituras sagradas tratam de eventos envolvendo esses seres, como a anunciação da concepção de Sara, mãe de Isaac, e da intervenção no momento do sacrifício de Abraão, o livramento de Daniel na cova dos leões, a anunciação de Jesus à Virgem Maria e a ressurreição e ascensão de Jesus Cristo, a inspiração do profeta Maomé para escrever o Alcorão, entre tantas outras. Neste livro, o leitor encontrará informações teóricas e práticas acerca desses seres mensageiros da luz de Deus, levando em conta seus princípios organizados na teoria da Cabala hebraica, em que os Salmos de Davi trazem em si as evocações dos anjos realizadas pelas mais antigas culturas.

Prayer Plus Faith Equals Miracles

This volume represents the high-water mark of the thought of Eliphas Levi. It may be regarded as written by him as his Thesis for the Grade of Exempt Adept, just as his "Ritual and Dogma" was his Thesis for the grade of a Major Adept. He is, in fact, no longer talking of things as if their sense was fixed and universal. He is beginning to see something of the contradiction inherent in the nature of things, or at any rate, he constantly illustrates the fact that the planes are to be kept separate for practical purposes, although in the

final analysis they turn out to be one. This, and the extraordinarily subtle and delicate irony of which Eliphaz Levi is one of the greatest masters that has ever lived, have baffled the pedantry and stupidity of such commentators as Waite.

A Divine Revelation of Angels

Here's sensible advice and caring encouragement on raising boys from the nation's most trusted parenting authority, Dr. James Dobson. With so much confusion about the role of men in our society, it's no wonder so many parents and teachers are asking questions about how to bring up boys. Why are so many boys in crisis? What qualities should we be trying to instill in young males? Our culture has vilified masculinity and, as a result, an entire generation of boys is growing up without a clear idea of what it means to be a man. In the runaway bestseller *Bringing Up Boys*, Dr. Dobson draws from his experience as a child psychologist and family counselor, as well as extensive research, to offer advice and encouragement based on a firm foundation of biblical principles.

Anjos: Forças Da Luz, Mensageiros De Deus

Os anjos existem e atuam diretamente na vida de cada um de nós, independente da religião ou da crença específica de cada um. No entanto, a proteção recebida dependerá de quanto você demonstrar com atitudes e intenções que merece recebê-la. Mesmo podendo ser invocado a qualquer momento e em qualquer situação, para sentir sua presença e receber o seu auxílio é preciso estar com o coração aberto, deixando-se ouvir os instintos, prestando atenção nas situações do dia a dia e em tudo que nos rodeia. Desse modo, abrimos a mente e libertamos o espírito para que o coração possa se sintonizar com nosso anjo. Cada um de nós tem um “anjo guardião”. Deus é quem o designa. O ser denominado de “guia principal e superior” é que nos assiste nas contingências da vida. Quando oramos, é o nosso intercessor junto a Deus, que nos ajuda a elevar as preces ao céu. Mas o anjo da guarda afasta-se quando vê que seus conselhos são inúteis, e que é mais forte a vontade do protegido em submeter-se à influência dos espíritos inferiores, mas não o abandona completamente e sempre se faz ouvir, voltando somente quando chamado. Neste livro você conhecerá o maravilhoso e enigmático mundo dos anjos, aprendendo a identificar seu anjo protetor, a melhor maneira de se comunicar com eles, as características de cada um e como eles podem influenciar a sua vida.

As Mukunda and Bakul grow, their intense closeness matures into something else, and Mukunda is banished to Calcutta. He prospers in the turbulent years after Partition, but his thoughts stay with his home, with Bakul, with all that he has lost—and he knows that he must return.

In Glasgow in 1972 Led Zeppelin were coming to play. From the moment the gig was announced, nothing seemed quite the same. Events may have proceeded as normal for a gig in Glasgow, as young fans, many still at school, queued in the freezing cold overnight for tickets. They played led Zeppelin records and talked about the gig. They wondered if they had anything good to wear (they hadn't) and wondered if they might have enough nerve to ask out the girl they had a crush on (they didn't). When the band finally arrived, they rushed into the venue, an old cinema, and created as much noise and mayhem as they possibly could. Afterwards they walked through the rain to catch the last bus home. But in-between these ordinary events, more things were happening. Events to change some of their lives and never to be forgotten, even if the only lesson for some was that while love might break your heart, Led Zeppelin would never let you down.

What is Spiritism

This volume, published in 1753, was Hogarth's grand treatise on beauty, design and taste and was intended to help educate the masses on how to perceive art. His most prominent idea is the line of beauty, which is an s-shaped line that can be seen?set inside a pyramid?on the title page. Hogarth's theory is that this line is what captures a viewer's attention and evokes a sense of grace and movement. Unfortunately for Hogarth, his book was largely lampooned by his contemporaries and critics, including Charles Churchill who satirized the work in his \"An Epistle to William Hogarth.\"
